NON TEACHING PURPOSE AND MISSION STATEMENT -
As a collaborative team, we support the school in its endeavour to achieve outcomes described in the Site Learning Plan by -
- Providing support to teachers, students, parents and the wider school community, in the areas of student learning, administration, financial, asset and facilities management.
- Ensuring that the systems and processes that service the local school community are professional, efficient, supportive and accessible.
- Creating, implementing and maintaining sound practices and procedures within DECS frameworks, optimising the efficient and effective use of resources to achieve improved learning outcomes for students.
