# NEWSLETTER

ISSUE 1 | February 2022

As we commence the 2022 school year, I thank you for showing such active support of your children and our staff team as we continue to work through an extraordinary start to Term 1. Your public and personal recognition of the efforts of Staff has been appreciated and has enabled us to confidently support students through a wonderful first few weeks, whether your children be at school or connecting online.

We believe the staggered start has been beneficial for our Year 7 and 8 students, as they have had the opportunity to find their way around, seek out familiar faces and get to know the school. The Year 12's have begun the year with positivity and zest and I cannot wait to see them flourish throughout the year.

This week we welcome all students back and it is great to feel the buzz in the air; it seems the students were eager to come back and get the 'real' school year started.

I would like to thank you all for your vigilance regarding COVID-19 requirements. As a reminder, if your child tests positive for COVID-19 they must notify the school and isolate for 10 days. If a student is a 'classroom contact' and has symptoms they must not attend school and be tested as soon as possible. Students (aside from positive cases) will be encouraged to attend school if they do not have any symptoms.

Please keep in mind the definition of close contacts as outlined on the SA Health website: [www.sahealth.sa.gov.au/wps/wcm/connect/public+content/sa+health+internet/conditions/infectious+diseases/covid-19/testing+and+tracing/close+contacts](http://www.sahealth.sa.gov.au/wps/wcm/connect/public+content/sa+health+internet/conditions/infectious+diseases/covid-19/testing+and+tracing/close+contacts). There has been some confusion amongst families, so we may need to clarify details if we believe students should be in quarantine rather than continuing to attend school. We appreciate the ever-changing rules may be hard to comprehend, but please be assured our reminders, our questions and these measures are in place to uphold individual and community health.

This year we welcome the following staff members:

I would also like to welcome Dash Taylor Johnson who has returned to the wellbeing team after a number of years working for the Australian Education Union.

We have an exciting year ahead of us and I look forward to sharing more information regarding the happenings around Le Fevre High School. Please ensure you follow us on Facebook and Instagram for updates and information as well as your emails for letters and other communications.

Please remember to be in touch throughout the year.

Kind regards

Kirri
