HIGH SCHOOL

CURRICULUM 2025

SUBJECT SELECTION PATHWAYS

- Subjects noted with (*) indicates that this subject is recommended learning at Stage 1 in preparation for Stage 2 option.
- Recommended learning for Mathematics, Science and Indonesian subjects at Stage 1 is full year.
- EIF and AIF are compulsory SACE subjects.
- Orange highlighted Subject boxes require MANDATORY subject advice and recommendation for student choice. This advice is provided by the Learning Area team and can be subject to further consultation with the Subject Coordinator.
- Student pathways can also be supported via Open Access options, including School of Languages.
